CARING FOR THE
MEN, WOMEN AND CHILDREN
OF THE RUGBY LEAGUE COMMUNITY

JOIN MEN OF LEAGUE AS TEST MATCH FOOTY HITS THE WEST

The Western Australian Committee of the Men of League Foundation is inviting members of the rugby league community to join them for their Test Match Luncheon on Friday 14 October at Gloucester Park in East Perth.

The luncheon will be held to celebrate Western Australia hosting its first ever International Rugby League Test Match as the Australian Kangaroos take on the New Zealand Kiwis at nib Stadium.

Guests will be raising funds for the Men of League Foundation to help ensure the charity can continue its important work in caring for the men, women and children of the rugby league community.

Men of League Foundation Western Australia President, James 'Sully' Sullivan, says that the luncheon is sure to be popular and will be a memorable event on the day before the Test Match with a magnificent buffet and former rugby league legends in attendance.

"Our luncheon will be a wonderful occasion to hear some great stories, have a laugh and spend an enjoyable afternoon catching up with old friends and meeting new ones. Besides the fantastic company of others from the rugby league community, the special guests will make this a luncheon not to be missed," said Sully.

"Funds raised from the luncheon will go to helping the Men of League Foundation to care for those from within the rugby league community who may have fallen on hard times and need some assistance. We help people with a range of services from visits to those who may be feeling socially isolated to household improvements and financial support," Sully concluded.

In lieu of attendance, the community can become a member of the Foundation or make a donation directly to the Men of League Foundation by visiting www.menofleague.com.
