We acknowledge the Traditional Owners of the land upon which our event is held and recognise their continuing connection to land, waters and culture.

We pay our respects to Elders past and present.

On behalf of the Board, management and staff of NRL WA, I would like to welcome all players, parents, supporters and officials to the 2022 WA Junior State Championships, held for the first time at Charlotte's Vineyard Reserve, home of one of our fastest growing clubs, the Ellenbrook Rabbitohs.

After a couple of COVID affected seasons, it is wonderful to be able to stage our 6th annual carnival in this format which is designed to provide a more engaged community environment that encourages the upskilling and education for all involved from both a participation and operations perspective.

Benefits of such a tournament include enhanced player pathway opportunities, coach and referee mentoring and development, and valuable experience and recognition for volunteers and officials.

I would like to thank and acknowledge the efforts of all those hard working individuals involved in the coaching and management of all participating teams and also to extend a special welcome and shout out to the North West Reds teams for again travelling so far to compete at this year's tournament.

Likewise, I would like to recognize the ongoing efforts of NRL WA's Game Development Team – Gus Marshall, Georgia Heggs, Mitch Wade-Whalan & new team member Jake Kennedy. The dedication of the GDO's to promote and develop the game in our Primary and Secondary schools is vitally important to the growth of Rugby League in WA and this carnival showcases some of the results of their endeavours.

Organising these Junior State Championships is an extremely demanding and challenging task and to that end, I would like to applaud the passion and professionalism of NRL WA Operations and Development Manager, Caleb Reedy & our Office Administrator Barbra-Anne Woolley.

Their efforts in creating, organising and managing such an event has been simply outstanding.

It is significant to note that this tournament is not only based around the action of the field, but also to help teach important life lessons and values such as Respect, Discipline, Enthusiasm, Inclusiveness, Teamwork and Friendship, and aims to not only produce better Rugby League players and related stakeholders, but also better citizens in society as well.

Finally, and on behalf of the NRL WA Team, I would like to wish all teams and participants the very best for a safe & enjoyable 2022 Junior State Championships.
