Fuel to Go & Play™ Premiership

MATCH DAY REVIEW

Fremantle Roosters vs Joondalup Giants - Its another big weekend on the cards and some big ramifications for the Giants here. Fremantle have been the best side so far this year, but are struggling with injury and players out so there is no better time to get them. But unluckily for the Giants it seems they have a bunch of guys out at the same time. But they get some troops back just in time as well. Kerrod Hignett is a welcome inclusion for the Chooks, while the Giants get Jarod Poi into their lineup opposite him in what should be a good battle. We also see the return of Brad Gibson in Premiership after some extended injuries have kept him away. New man Rylee Captein has been turning heads for the Giants, while River Colman and Josh Houghton are welcome returns for the Giants at a time when they are reeling.

South Perth Lions vs North Beach Sea Eagles - Another game where one side is reeling from outs, with the Lions showing some TBC's. But they welcome back Tyson Lewis and Luke David Wells Talamaivao which allows Debique to go back to fullback. Noble earns his way back to starting after some indifferent form, and Hocking returns to his second row spot that he excels at. For the Sea Eagles, Dean Morgan and Dale Gilbert retain their spot in the centres, with De Vorms and Grey still out, while Trotter is a welcome inclusion for the Maroon and White. Captain Keiran Tarrant also makes a welcome return, while Kallum Gulliver Brown has been very impressive with his form and nholds onto the 13 jumper. South Perth need the win to stay in the 4, while North Beach will be wanting to separate themselves from the chasers.
