

GOOSE STEP GAME DAY

Fuel to Go & Play Premiership

MATCH DAY PREVIEW - MND ROUND

Rockingham Sharks president Brett McMillan will be hoping for an NRLWA Fuel to Go and Play Premiership win over the Fremantle Roosters on Saturday (6pm) as the game honours and remembers those who have suffered from Motor Neurone Disease. MND, and its devastating effects on its victims and families, is a disease McMillan knows all about, his dad Rod passed away from it in 2008. "It's such a horrible disease and I'd like to think we can get an even bigger win raising funds to find a cure for it," McMillan said. North Beach Sea Eagles are another club to have felt the effects, as they will remember former player Dean Williams who passed away from the disease last year, with their MND Round matchup with the Joondalup Giants. On the field the Sharks know it's now do-or-die if they are to stay in the hunt for a playoff spot, but they will have to be on their best form to overcome a Roosters side that never knows when to quit. Fremantle came back from a 16-point deficit last weekend to draw 18-18 with Joondalup with captain Duane Butler remaining confident about this weekend's trip down the Kwinana Freeway to face Rockingham. While the Giants and Sea Eagles both get some troops back, both teams are more worried about themselves than their opponents. The messages for both teams are to control their own ball and not make mistakes which lets the other team dictate play.
