### MATCH DAY PREVIEW—INDIGENOUS ROUND

**Joondalup Giants vs Rockingham Sharks** - It's another big weekend, and Indigenous Round kicks off with a big game for both teams here. The Giants will be wanting to put more space between them and the chasers, while staying in touch with ladder leaders Fremantle. And the Sharks turned a corner last game, but need to start stringing the wins together before their season gets away from them. The Giants have a bunch of outs and have had to make some changes. Turner goes to the back, and Scott and Smiler combine on one edge for the Giants. While Rockingham have also switched their backline. Coleman goes to 7 after his great performance for the Perth City team, with Trego shifting to the wing to accommodate Heremaia-Phillips in the 6. But it's the selection of Baillie and Barclay in the centres which beefs up this side, with Wood going to the back for the injured Hudson. A big big game for both teams.

**Fremantle Roosters vs South Perth Lions** - Fremantle had a week off and will look to hit the ground running again this weekend as they take on a fairly full strength Lions side. The Roosters welcome back Riggs on the wing, and field an much more full strength side, with only a couple of notable outs. Edwards teams up with Mr Fix It, Kerrod Hignett in the halves. For the Lions, Daniels and Thomas link up as their strongest centre pairing, with a reenergised Noble and Young pairing up in the front row, and Smith going to lock for the injured Halpin. But its their first pick spine, with Debique, Lewis, Wells-Talamaivao and Norton finally able to play together for the first time in many weeks. Watch for the bench impact for both teams with Crotty and Timlin both known for their big energy off the bench for both teams.
