Match Day Preview

Rockingham Sharks vs Joondalup Giants - Well it's the Rockingham Sharks 20th Year, and it is quite an occasion. A big day for the Sharks faithful while club stalwart Peter Worth, who debuted back in 2004 all those years ago as a 17 year old, lines up for the Sharks for another season. We also get a look at recruits John McLaughlin, Tom Hills and Zachary McEntyre, while James "Dugan" Blackburn returns after over a decade to jump in the centres. For the Giants, they welcome back Domanyc Fidow-Kele into their lineup, with new guys Mitchell Haggart and Shane Harding play their first games for the Giants. The battle of the lock forwards will be something to behold, with coach-player Tom Murphy assuming the 13 for the Sharks, while Rangiwananga Kingi gets his second game in the pack, after a super impressive performance there last week.

South Perth Lions vs North Beach Sea Eagles - The old enemies faceoff yet again, with South Perth hosting their first game of the season against North Beach. For the Lions, with Daniels ruled out, young Jordan Tumoana goes to the back, which opens up a sport for Hohepa-Tamati Taiatini Galvin-Dawson on the wing. Hohepa was impressive in Val Murphy Trophy last week and gets his chance in the top grade, along with Oliver Pettit. The interesting selection is that of Jayden Evans, who comes in to fill the big shoes of Ed Proudler for the Lions. For the Sea Eagles, it's a raft of forced changes, with last weeks spine being tweaked. Bailey Millar is out suspended, and Darius Rogers on CAS duty. So Korey Craig goes to the back, Ted Shand goes to 7 and Justin Buckley starts at 9. Try scoring winger Stirling Macdonald shifts to stand-off and should provide another look at this quick side, while Whitehead returns for the Sea Eagles, and we get a look at the dangerous Mouea in Beach colours for the first time.
