MATCH PREVIEW

We kick off the season, with a grand final rematch between these two foes and both sides look very different. North Beach are boasting a brand new spine, with Craig, Shand, Rogers, Lloyd all gone, and Gillham shifting to the front row. Welcoming back Millar, Wallace and Aiesi all eyes will be on debutant Hextell who has big wraps on him. And the Roosters are in a similar spot. For the first time in a long time, there is no Edwards, with Butler also out with injury and no Sonny Kerr. But Blake Hignett is a massive return, and new captain Nick Riggs will be rearing to go in this one.

MATCH PREVIEW

With 4 players with Premiership experience in their lineup, the sharks look very different. They are led by the firebrand Bolth in 2025 and he looks extremely fit. Siddons joins them from the touring Lions team, and George and Lewis Hough are also on board. But the real story is the introduction of 4 local juniors in Antonelli, Henry, Te Rauna and Emery. For Joondalup, they welcome the return of Martin at the back, with Marshall partnering debutant Dunn in the halves. Unfortunately captain Irvine is missing in this fixture which is a blow, but watch for the injection of Muir and Lawrence on the bench to add spark

MATCH PREVIEW

And our final game FTG&P Premiership game sees the Lions, who are desperate for a premiership after a long drought, and the returning Bears, who are hoping to be return to the top flight with a bang. The Lions are one of the more settled lineups. Their spine is tested, led by Langi and Proudler, they add in the experienced Debique and youngster Evans for a strong unit. They add the American Haney to their side, and they will a side to watch. The Bears have some big names themselves. Signing Gudgeon, and state representative Teirney, its the front row that shows some real potential. Maliko, Chan Boon and Bond off the bench should be something to watch.
