## MATCH PREVIEW

Up north we have a battle just important as the others, as the Giants and Sharks look to supercharge their season. With Giants yet to secure a win in 2025, they will be looking for a big performance as they continue to blood youngster and debutants. Williams bags the fullback jersey, with White reverting to the bench. Ranger, Marshall and Colman are massive ins, with Tane and Bramley debuting in a new look side. Porter on the bench is ominous. For the Sharks, they are also fielding a new lineup, with the classy Hough and Lawton swapping places. Johnson debuts on the wing, with Chizuni and Worth in the backrow in a new combo. Whitty is a massive in.

## MATCH PREVIEW

At Willagee, we have a ripping contest, with the flamboyant and free Willagee Bears going toe to toe with the undoubted favourites this year, the South Perth Lions. While the Bears have a few outs, some of their unknowns are stepping up. Blake Wadwell has been a revelation, while the classy Gudgeon continues to show his worth. Mills and Teirney are managing some consistency as well. But they run into a fit and firing Lions side. Hiko is missing, but Elliot and Captein start up from, with the massively improving Russell grabbing a bench spot. Langi comes back into the halves with Debique, with Proudler slotting in at 9, and Evans ready to explode off the bench.

## MATCH PREVIEW

In a round of great matchups, we have another one here, with the Roosters looking for a full 80 minute performance against the North Beach Sea Eagles. The Roosters let a big lead slip last week after 55 minutes of brilliant football, only to be followed by something their own coach couldn't watch. Hignett slots in at centre, with Riggs going back to the wing. Solomon goes into the 6, with Pomare deputizing on the bench in the utlity role. The Sea Eagles team may not look exactly like this, but Hextell comes in at 6, with Gillham and Breen in the front row. Whitehead and Sparrow return as massive ins, while Eparaima and Fry join Buckley and Dickinson on the bench.
