MATCH PREVIEW

Round 05 is back at Hartfield Park, this time with a double header. The Bulldogs are improving every week, and were able to hold their ground against a good Roosters last week, with Misi Fiu impressing in the middle. The Giants are here on a quest to right their season, and have some big ins this week, with April Alan and Sinead Loundes being added to the side. Taurima looms as a massive danger with Wylie at 6.

MATCH PREVIEW

And our key match for the weekend see the irrepressible Bears taking on the Roosters in what should be a massive game. The centre battle in particular is one to watch with young guns Acker and Young taking on the experienced and dangerous Swannell and Quan in a big battle. While Willagee have some stars, the Roosters depth looks strong with Peters, Matoe and Turner-Wallace all included on the bench this week.
