MATCH PREVIEW

In the first match up of the weekend, the South Perth Lions host the Joondalup Giants at the den, and coming off a few weeks off want to keep their momentum going. Unbeaten in the first two games, they will be looking to go from strength to strength off the back of some big performances from Meli Arthur and Soni Langi. Haney goes to the back this week, with Debique in the 7, which will make them a different looking team. For the Giants its changes galore. New centres, new forwards and a couple new guys on the bench, they welcome back linchpin Marshall to partner the improving Dunn in the halves. Colman has been a shining light for the Giants so far this year.

MATCH PREVIEW

We fly down the highway, where the Rockingham Sharks will take on the Fremantle Roosters, with both teams with a win and a loss. The Sharks get some players back from injury, but a positional change with Chizuni at 9, and Whitty going to the bench allows Gilchrist to shift to lock for this one. Peter Worth also goes onto the interchange. For Fremantle, evergreen Edwards answers the call and jumps into the 6 jersey with Sonny Kerr, while Mabbett and Kiel play their first games for the club. Woolley still awaiting a clearance, but hopes to suit up in the back row for the tri colours in what could be a pivotal game.

MATCH PREVIEW

In the final match of the round, and our key game, the Bears look to defend their home turf against he unbeaten Sea Eagles. The Bears have alot to smile about, with a host of players starring in the ANZAC clash. But they are missing MVP Chan Boon for this one. But Hansen is a worthy replacement, with the rugged forward looking to prove a point. Tanonef shifts to the second row, with Thompson holding the 13. For the Sea Eagles, the backline stays the same, with 4 try sensation Riley Bradley holding his spot. Bookends Fry and Gillham are in the front row, with a formidable back row of Whitehead, Sparrow and new English a very classy group.
