MATCH PREVIEW

Opening the round up north, the Joondalup Giants are two on the trot and on a bit of a roll, but run into the competition heavy weights in the South Perth Lions. The Giants come in fresh and only missing Brodie Dunn to CAS duties, but FIFO and injury still a factor. White goes to the back, with Williams starting with Marshall in the halves. Smith and Chaplin are on the bench, with young Rapana a chance to debut off the bench. The Lions still have a very good side. While a bunch are missing for CAS Champs, Judge makes his long awaited return from injury. Keating deputizes at hooker, with Javapro and Cummings sliding into the back row.

MATCH PREVIEW

And our final game, we head to Treeby where two teams meet who are desperate for a win. Both teams are missing a bunch, due to CAS and injury and alot of Val Murphy Trophy players are getting their chance to show their worth. For Fremantle, Solomon switches to 6, with McKay starting in the 9. Los'e and Kaloucava come up from VMT in a new edge combination, while Griffin moves into an edge spot. For Rockingham we have a bunch of new starters. Webb goes to fullback, with Johnson and Scott on the wings. Experienced operator Scott joins Quinlan in the halves, while Lochlan Christy gets his start at hooker. Both coaches will be looking for maximum effort.
