MATCH PREVIEW

In Round 07, Joondalup get another crack at the undefeated Bears, this time at home and it should be an amazing game. Edwards, Warren and Taurima slide straight back in after CAS, while new girl Thompson joins the bench. With Hodgson coming back in, Gillard has been in impressive form, with Burt-Poloai leading the way. McNally on the wing has added some speed and spark. Can Giants match the Bears?

MATCH PREVIEW

For our key game of the round, the Roosters and the Rabbitohs go head to head in what should be a cracker. Fresh from CAS, the two most represented sides now settle into the season with alot to play for. New player Berryman jumps into 9, as Horner, Manning-Daniel and Nona Busch make a great backrow. The Bunnies swap Treherne into the centres, and fisher wider, but are a big side with a strong bench this week.
