MATCH PREVIEW

For the first game of the day, up in Joondalup, we have quite an interesting battle, with the 5th place Joondalup Giants looking to keep in touch with the 4th place Fremantle Roosters. Heathridge hasn't been exactly a happy hunting ground for the Roosters of late, but they come into this full of confidence after a big win against the Lions last round. The Giants are down on troops, but welcome in Ranger and debutant Saunderson for this fixture. Williams goes to lock, with Wynne reverting to the bench. For the Roosters, Paki comes in for his first game this year, with the impressive Woolley staying at fullback. Wilson Wylie was great last week and looks refreshed.

MATCH PREVIEW

At Blueforce park, with a slightly delayed kick off, the Sea Eagles look to get back in the winners column against a Lions team which has look a little vunerable of late. For Beach, Ahuriri stays at fullback, where he was brilliant last week, with Gillett and Solomon coming in to fill the gaps in the back 5. Hextell links up with Wallace in the halves, while Sparrow stays on the bench, with his injections being super impressie up front. For the Lions, Debique goes to 7, with Judge lining up at fullback after a great return last week. Cummings and Roshan make up a new look centre pairing, with Hiko and Taufa starting up front. The Lions will be looking for a strong performance.

MATCH PREVIEW

And in the final game of the day, down in Port Kennedy and our NRL Pathways key game, the Rockingham Sharks defend their home territory against the Willagee Bears in what should be a free flowing matchup. For the Sharks, Crockett and Webb a missing, which sees Lawton goto the back, and veteran Worth goto 6. Bolth jumps back into the front row, with D Worth dropping to second row. For the Bears, its a big move with Gudgeon partnering the returning Teirney in the halves, and Kelly at fullback. Fotu and Chan Boon combine in the front row in one of the more scary front row pairings, with former Shark Chizuni returning to his old club.
