## MATCH PREVIEW

Our key match of the round for NAIDOC Round this year is the South Perth Lions, trying to get their season back on track against the awkward Joondalup Giants. With a Welcome to Country at 3:15pm, it'll be a great day at George Burnett Park. For the Lions, the big ins are the centre pairing of Barclay and Daniels, both state quality centres, they will look to stiffen up their defence and give them some options in attack, while Roshan and Javapro create a new backrow combo. For the Giants, Williams goes to fullback, with Rapana and While on the wings. Saunderson gets a start in the backrow after a successful return last weekend.

Gudgeon goes to the back, with Coleman sliding into 6 to partner Teirney in the halves. Hansen and Maliko create an intimidating front row, with Mills locking the scrum. ## MATCH PREVIEW

And in the final game of our NAIDOC Round, the Fremantle Roosters host the Rockingham Sharks, in what should be an interesting affair. The Roosters have been good for the last fortnight, but lose Taomia, Wilson Wylie and Tagicikabau all for this one. They do welcome back Rangihaeata after a long break, and Paki had a nice return last week. With Crotty coming back in, they stil are a dangerous side. For the Sharks, Henry is still missing on CAS Duties, with Webb sliding to the wing and Lawton into the centres. Scott comes in at 6, with plenty of experience, with Bolth sliding to the back row and Antonelli starting up front.
