MATCH PREVIEW

Its the final round of the Westpac Women's competition and its the Kalamunda Bulldogs, who have tried mightily hard all year against the off the boil Willagee Bears/ For the Bulldogs its been a tough year, but they have impressed everyone with their spirit and commitment regardless of the onfield results. For the Bears, its business time and this game gives them a chance to get some things right.

MATCH PREVIEW

Well we get another look at last years grand finalists, and its a different situation. Joondalup will have to do finals the hard way as they are locked into 4th place, and will be missing some big names, with Taurima missing due to a shoulder injury. But young guns Puki and Te Tana show great promise. For the Rabbitohs, they will be putting the hammer down to fly into the semis as outright favourites.
